APRIL Direct Billing General Network

INTRODUCTION AND TERMS OF USE

APRIL's Direct Billing Network is designed to provide our members with a service that makes claiming for inpatient and outpatient services quick and convenient.

When members with outpatient benefits and holding a valid APRIL Member Card (or eCard) use medical facilities within our network, APRIL will settle eligible medical expenses incurred directly with the medical provider.

Only members eligible for direct billing can use this service. Please note that Moratorium policies are not eligible to this service.

Use of this list is governed by your Policy's Terms and Conditions and is also subject to the guidelines, exclusions and remarks listed below.

Download our Easy Claim app on your smartphone to search and locate healthcare providers within our Asia network:

Available on the App Store GET IT ON Google play

With the app, you can:

- ✓ Search for a healthcare practitioner by name, location, or specialty.
- ✓ Check whether you are eligible for direct billing in the displayed facilities.

To verify your eligibility for direct billing, log in to the app and click on the "E-card" button:

- If the code "**DB**" is displayed on your card, you are eligible for direct billing within our whole Asia General Network.
- If the code "**PNW**" is displayed, you can enjoy direct billing within our Asia Panel Network (please refer to this listing).

If you encounter any issues while using direct billing or have any questions about the service, please contact your local APRIL office. You will find the contacts below your eCard on the Easy Claim app.

Inpatient Direct Billing

For inpatient treatment, APRIL can arrange direct billing if pre-approval is requested accompanied with a signed Advance Request Form by your Physician and relevant documentation; direct billing is also subject to the hospital's agreement. If you would like APRIL to arrange direct billing for inpatient services, please inform your hospital and notify APRIL at least 5 working days prior to admission for a planned surgery/procedure/operation.

Emergencies

If you have an accident or emergency and urgently need APRIL to guarantee your expenses, please call APRIL Assistance. Contact details can be found below your eCard on the Easy Claim app or on the back of your member card.
