

# APRIL Outpatient Direct Billing General Network

## INTRODUCTION AND TERMS OF USE

APRIL's Outpatient Direct Billing Network is designed to provide our members with a service that makes claiming for outpatient services quick and convenient.

When members with outpatient benefits and holding a valid APRIL Member Card (or eCard) use medical facilities within our network, APRIL will settle eligible medical expenses incurred directly with the medical provider.

**Only members without coinsurance can use direct billing services. Please note that Moratorium policies are not eligible to this service.**

Use of this list is governed by your Policy's Terms and Conditions and is also subject to the guidelines, exclusions and remarks listed below.

**Download our Easy Claim app on your smartphone to search and locate healthcare providers within our Asia network:**

### With the app, you can:

- ✓ Search a healthcare practitioner by name, location, or specialty.
- ✓ Check whether you are eligible for direct billing in the displayed facilities.

To verify your eligibility for direct billing, log in to the app and click on the "E-card" button:

- If the code "**DB**" is displayed on your card, you are eligible for direct billing within our whole Asia General Network.
- If the code "**PNW**" is displayed, you can enjoy direct billing within our Asia Panel Network (please refer to this [listing](#)).

---

If you encounter any issues why using direct billing or have any questions about the service, please contact your local APRIL office. You may find your contacts below your eCard on your Easy Claim app.

### Inpatient Direct Billing

For inpatient treatment, APRIL can arrange direct billing if proper notification and documentation are provided and subject to the hospital's agreement. If you would like APRIL to arrange direct billing for inpatient services, please inform your hospital and notify APRIL at least 5 working days prior to admission or for a planned surgery/procedure/operation.

### Emergencies

If you have an accident or emergency and urgently need APRIL to guarantee your expenses, please call

APRIL Assistance. Contact details can be found below your eCard on your Easy Claim app or on the back of your member card.

## Maternity

Direct billing for outpatient maternity benefits may also be arranged within our network, but only with ONE PROVIDER per policy year (per pregnancy) to keep track of applicable sub-limits. Once you have decided on your sole provider within the network, please inform APRIL and we will provide a Letter of guarantee with a benefits balance for you to present to the clinic for record keeping.

## Eligible Outpatient Direct Billing Services

The following outpatient services may be direct billed to APRIL:

- General Practitioner consultation
