### 4. EFFECTIVE DATE, DURATION AND CANCELLATION OF THE POLICY

#### 4.1. WHEN DOES YOUR POLICY TAKE EFFECT?

Your membership of the Insurance Agreement is subject to prior acceptance by APRIL International Care France.

Your date of enrolment corresponds to the benefits effective date which You specified in your Application form. It can be no earlier than the day following receipt of the completed and signed Application form, subject to the suspensive condition of payment of the first *Premium*.

#### 4.3. DURATION OF COVER AND RENEWING YOUR POLICY:

#### **Penalties for false declaration:**

**Whether in respect of declarations made at the time of application or those made during the life of the policy, any intentional concealment or false declaration and any omission from or misrepresentation of the risk, will, depending on the circumstances, invoke the application of articles L.113-8 and L.113-9 of the French Insurance Code.**

**In addition, any omission, concealment, false declaration, intentional or not, in making a *Claim*, failure to declare other concurrent insurance cover, the submission of inaccurate supporting documentation or the use of any fraudulent means puts the *Insured* and the Member at risk of withdrawal of cover and termination of the policy.**

**We reserve the right to initiate legal action in order to seek compensation for any damage caused to Us. You will be required to pay back any benefits that were unduly paid to You under this policy.**

#### **4.5. HOW TO CANCEL YOUR POLICY:**

Signing the Application form does not constitute a binding agreement for the Member.

##### **If the Member signed the insurance contract as a result of door-to-door canvassing:**

The following provisions under article L.112-9-1 of the French Insurance Code apply: "Any person who is canvassed at their home or residence or place of work, even if this visit was at their own request, and who signs an insurance proposal or contract for a purpose which is not related to their commercial or professional activity, may cancel this agreement by sending a letter by recorded delivery with proof of receipt during a period of 14 days from the day of signature of the agreement without requiring to specify the reason for the cancellation or being subject to penalties. (...) As soon as they become aware of any circumstances which give rise to a claim under the policy, the policyholder loses this right to cancel."

##### **If the Member has entered into a distance contract (on phone or Internet):**

The Member may cancel the contract within 14 days of entering into the insurance contract.

##### **In all cases, in order to exercise this right to cancel:**

To exercise their right to cancel, the Member must notify Us of their decision to cancel their policy by means of a clearly worded letter sent to the following address within the timescales specified above:

APRIL International Care France - Service courrier - 1 rue du Mont - CS 80010 - 81700 Blan - FRANCE.

To do this, simply complete the waiver form available on page 26 or and send a letter using the following template:

"I, the undersigned..... (first name, surname, address), wish to cancel my Expat Student policy number.....

Signed in..... on..... Signature.....".

In the event of cancellation, the Member is only required to pay the Premium corresponding to the period of exposure to the risk with this period being calculated up to the date of cancellation. We are required to reimburse the balance to the Member within thirty days of the date of cancellation.

## **5. PREMIUMS**

**Membership of this policy does not exempt You from paying Premiums to any state scheme to which You may belong.**

#### **5.1. HOW IS YOUR PREMIUM CALCULATED?**

The Premium increases each year on the *Renewal date of the policy* in line with the age of the *Insured*.

The age of the *Insured* used to calculate the first year's Premium is the age of the *Insured* on the *Effective date* of the policy. For each following year, the age of the *Insured* used to calculate the Premium is the age of the *Insured* each year on the *Renewal date of the policy*.

Taxes currently payable by the Member are included in the Premium. Any change in the level of these taxes will be reflected in the amount of the Premium.

The Premium is payable on an individual basis for each insured Family member.

The Premium may increase each year on the *Renewal date of the policy* depending on the claims history of the insured group.

The composition of the group takes into account the age reached, the option selected, the *Country of destination* and the area of cover. The *Insured's* state of health and their level of medical expenditure are not taken into account for the calculation of the Premium.

If the *Member* requests an amendment to the level of cover initially selected, the age used for the calculation of the Premium will be the age of the *Insured* on the date when the amendment takes effect.

## 5.2. PAYMENT METHODS:

Premiums are payable in advance in euros annually, twice-yearly, quarterly or monthly according to the payment method selected by the *Member* and shown on their Application form:

- credit or debit card;
- bank transfer (costs of bank transfer are the responsibility of the *Member*);
- SEPA direct debit.

Payment in monthly instalments is only available by SEPA direct debit.

## 5.3. WHAT HAPPENS IF THE PREMIUM IS NOT PAID?

If the Premium remains unpaid 10 days after its due date, We will serve the *Member* with formal notice of suspension of cover. The policy will then be suspended 30 days later. Following a further period of 10 days, We will terminate the policy. Legal action may be taken to secure payment of any unpaid Premiums.

Once formal notice has been served, the Premium due for the entire year is immediately payable under the French Insurance Code.

Please note that failure to pay the Premium and the subsequent termination of the policy does not cancel the debt. We will take appropriate action to obtain payment of the Premium due and will have recourse to a debt recovery firm specialising in international debts.

The *Member* is liable for any administration charges incurred as a result of any action taken by *Us* or by our service providers. If the amount stated on the letter of formal notice is paid after suspension of the policy but before termination, the policy will be revived at noon on the day after the Premium is paid.

No expenses incurred during the period of suspension of cover will be reimbursed under the policy, even once the Premium has been paid.

## 6. HOW TO AMEND YOUR POLICY

### 6.1. HOW TO AMEND YOUR POLICY:

## 7. WHAT IS COVERED AND HOW TO ACCESS THE SERVICES

### **Double insurance:**

Reimbursements received from the insurer, from any national health service scheme and from any other organisation cannot be higher than the amount of expenses actually incurred. Double insurance operates within the limits of each type of cover regardless of the date of commencement of cover. Within these limits You can claim reimbursement from the provider of your choice. **YOU RISK THE TERMINATION OF THE POLICY IF YOU DO NOT DECLARE ANY DOUBLE INSURANCE ARRANGEMENTS. THIS OBLIGATION REMAINS IN FORCE DURING THE ENTIRE PERIOD OF COVER.**

The limits of reimbursement of *Actual costs* incurred are determined by the insurer for each service or treatment covered.

Your cover includes the following when specified on your *Insurance certificate*.

### **7.1. MEDICAL EXPENSES:**

Medical expenses are covered within the limits of *Actual costs* and *Reasonable and customary costs* considering the country/area in which they were incurred.

We provide you with a network of healthcare professionals who charge *Reasonable and Customary costs*. If You receive treatment in a medical facility that is not recommended and is not a member of the APRIL International network, You will be subject to a 20% penalty applicable to the amount of your *Claim* if the cost of your treatment exceeds local standards (except for vital emergencies).

You will find information on the APRIL International healthcare network:

- in your Guide and in your Easy Claim app
- by contacting our team: they are available to help you with all your healthcare needs.

#### **7.1.1. TYPE AND LEVEL OF REIMBURSEMENT**

2 options are offered to You:

- **Option 1:** cover from the 1<sup>st</sup> euro spent,
- **Option 2:** CFE or Social Security top-up cover.

For **Option 1**, the reimbursement of medical expenses is guaranteed for all medically required treatments listed on the table of benefits which are prescribed by a qualified *Medical authority*.

For **Option 2**, the reimbursement of medical expenses is guaranteed for all medically required treatments listed on the table of benefits which are prescribed by a qualified *Medical authority* and that are covered by the CFE or French Social Security (unless otherwise specified in the table of benefits).

Expenses are reimbursed item by item in accordance with the table of benefits.

For medical expenses invoiced in a currency other than the euro, the exchange rate applied will be the one in force on the date when the treatment was received. Only expenses related to treatment received during the period of cover will be reimbursed.

For option 2 (CFE or French Social Security top-up), benefits are expressed including reimbursement by CFE or Social Security. We supplement after intervention of the local scheme.

#### **Benefits overall limits:**

The cumulative amount of reimbursements made by the insurer is limited per *Insured* and per *Insurance year* to the amount indicated in the table of benefits (less any compensation or benefit of the same kind paid by the CFE or Social Security in the event of choice of Option 2).

#### **7.1.2. WHAT TO DO IF YOU ARE HOSPITALISED**

The insurer will pay the *Beneficiary* or *Beneficiaries* **a lump sum of €10,000**. It should be noted that, if the *Insured* is under 16 years of age at the time of their death, the amount of the lump sum is in all cases limited to funeral costs. **However, if the *Insured* dies after having received Compensation for permanent Disability from the insurer for the same Accident, their *Beneficiaries* will receive the death lump sum less the amount of this Compensation.**

#### Allocation of benefits

In the event of the *Insured*'s death, the lump sum is paid to the *Beneficiary* (or *Beneficiaries*) designated on the Application form or the ones You designated at a later date. You may amend the designation if it is no longer appropriate unless the designation has been accepted by the *Beneficiary* in which case it cannot be revoked. The designation of a *Beneficiary* can be carried out by means of a privately witnessed document or by an authenticated deed. If You have named a specific *Beneficiary*, You can have their contact details included in the policy document. If there is no named *Beneficiary* or if the designation proves to be null and void, the amounts due in the event of death will be paid first to your surviving Spouse provided they were not legally separated from You when the lump sum became payable or to the co-signatory of a Civil Partnership Contract with You; failing which, equally, to your children born, unborn, living or represented; failing which, equally to your ascendants, failing which to your other heirs.

In the event of the *Insured*'s death and if the *Insured* is aged between 16 and 18, the lump sum will be paid to their parents in equal parts or, failing which, to their other heirs.

#### **How to make a Claim:**

The death must be declared by sending the insurer, through the following website <https://www.chubbclaims.com/ace/fr-fr/welcome.aspx>, the supporting documents required for payment, including:

- a medical certificate stating the date of death and whether the death was natural or accidental;
- any document proving the identity and/or marital status;
- any document stating the cause and circumstances of the *Accident* that led to the death; an admission certificate issued by the hospital;
- any document that proves the existence of the *Accident* and the direct cause-and-effect link between the *Accident* and the death.

Payment is made to the designated *Beneficiary* within twenty days of receipt of these documents. If there is more than one *Beneficiary*, the lump sum will not be distributed by the insurer, but a single payment will be made subject to a receipt being signed jointly by the parties.

When We have received notification of the death and been provided with contact details for the *Beneficiary* or *Beneficiaries*, We have (15) days to request all the documents required from the *Beneficiary* or *Beneficiaries* in order to process the *Claim*. On receipt of all the documents making up the *Claim* and if benefits are due, We will pay the lump sum within thirty (30) days. If the payment is not made within this timescale, the outstanding lump sum will generate interest in accordance with current legislation.

If benefits are due, the *Insured* lump sum payable in the event of the *Insured*'s death will be revalued from the date of death, until all of the documents required for payment have been received or, where applicable, until the lump sum has been deposited with the *Caisse des Dépôts et Consignations*, at an interest rate set by law.

If the *Beneficiary* or *Beneficiaries* of the insurance cannot be identified or traced within a period of ten (10) years from notification of the death, the insurer will be obliged to pay the lump sum to the *Caisse des Dépôts et Consignations* (CDC). Sums deposited with the *Caisse des Dépôts et Consignations* (CDC) which are not claimed will be transferred to the State at the end of a period of twenty (20) years from the date on which they were deposited with the *Caisse des Dépôts et Consignations* (CDC).

### 7.6.2. TOTAL OR PARTIAL PERMANENT DISABILITY FOLLOWING AN ACCIDENT

In cases of total permanent *Disability* where the degree of *Disability* is equal to 100%, the insurer will pay you **a lump sum set at €40,000**.

In cases of partial permanent *Disability*, the amount of the lump sum is reduced according to the recognised degree of *Disability*.

The degree of *Disability* is set by the insurer's Medical Examiner once the injuries have stabilised.

- If the degree of partial permanent *Disability* is less than or equal to 20%, no *Compensation* is due;
- If the degree of partial permanent *Disability* is greater than 20%, the amount of *Compensation* will be equal to €40,000 multiplied by the recognised degree of *Disability*.

If You had a *Disability* prior to the occurrence of the insured *Accident*, injuries due to this *Disability* are not taken into account. However, if the already infirm limb or organ is affected by other injuries, *Compensation* will be based on the

difference between the condition of the limb before and after the *Accident*. If You did not follow the treatment You were prescribed, Compensation will be estimated based on the consequences of the same *Accident* if You had followed the required treatment plan.

#### **How to make a *Claim*?**

- to implement actions in respect of prevention, support and assistance to the Insured through an Outreach Fund.

### **Article 3. HEAD OFFICE**

The head office is located in the 3<sup>rd</sup> district of Lyon at 114 boulevard Marius Vivier Merle.

It may be transferred by decision of the Board which has the power to amend the statutes for this purpose.

## **Article 4. DURATION**

The association is formed for an unlimited period. It ceases to exist, however, in the event of voluntary, statutory or judicial dissolution.

## **TITLE II – MEMBERS AND CONDITIONS OF MEMBERSHIP**

## **Article 5. COMPOSITION**

The Association is made up of Members broken down into:

- Members;
- Members with non-salaried status;
- Group Members (companies, organisations or other legal entities) who have signed up to one of the agreements entered into by the Association on behalf of their employees.

To be a Member of the Association, you must be covered by the insurance under one of the agreements entered into by the Association and have paid the membership fee.

Member status is acquired from the date of receipt of the application for membership and payment of the membership fee, subject to acceptance of membership of the insurance agreement by the insurer. If the application for membership is not accepted, the membership fee will be refunded no later than thirty days after notification of refusal by the insurer.

The following are also Members, but without voting rights, by decision of the Board:

- Persons or legal entities that serve or have served the Association with distinction. They are known as honorary members or members of honour;
- Persons or legal entities that have made a donation or bequest to the Association. They are known as supporting members.

## **Article 6. LOSS OF MEMBERSHIP STATUS**

Membership is lost in the following cases:

- death, disappearance or absence for individuals;
- voluntary or legal liquidation or dissolution for legal entities;
- expulsion decided by the Board for breaches of these statutes or if conduct is found to conflict with the financial and moral interests of the Association;

- loss of insured status under one of the agreements entered into by the Association (termination, disenrollment or cancellation);

- resignation submitted to the Chairman at the Association's registered office by registered letter with proof of receipt. A copy of the letter issued by the administrator of the plan(s) confirming the termination of their insurance must be enclosed with this letter; these terminations must meet the conditions stipulated in the information notice(s) serving as the general conditions of the plan(s).

In all cases, any membership fees charged for the year in which the loss of membership status occurs will be retained by the Association.

### **TITLE III – LIABILITY OF AND ENFORCEABILITY ON MEMBERS**

#### **Article 7. LIABILITY OF MEMBERS**

Members who have signed up to the agreements entered into by the Association are in no way personally liable for commitments made by the Association with liability being limited to the assets of the Association.

#### **Article 8. ENFORCEABILITY ON MEMBERS**

Any membership of the Association falls within the framework of the insurance agreements entered into by the Association and the insurers. The content of these agreements, in particular the conditions and consequences of termination of the agreements by the Association or the insurer, is given to Members when they join the Association and the plan in the form of an information notice serving as the general conditions.

### **TITLE IV – RESOURCES - EXPENSES**

## **Article 10. EXPENSES**

The expenses of the Association consist of all sums necessary for its operation and representation. They are ordered by the Board or by any other person appointed by the Board for this purpose.

## **TITLE V – SOCIAL OUTREACH**

### **Article 11. OUTREACH FUND**

An Outreach Fund has been created for the purpose of financing support and assistance to Members.

The amount allocated annually to the Outreach Fund is decided by the Board which sets out the guidelines, missions and operating rules.

The various Outreach Actions carried out by the Association and their conditions of access and award are set out in the Association Rules and Regulations.

## **TITLE VI – ADMINISTRATION AND OPERATION**

### **Article 12. BOARD OF DIRECTORS**

#### **1. Composition**

The Association is managed by a Board of Directors consisting of a minimum of six (6) members and a maximum of fifteen (15) members appointed for six (6) years. The members of the Board of Directors are appointed by the General Assembly and are chosen from among the Members of the Association.

More than half of the Board members must be Members who do not hold, or have not held in the two years preceding their appointment, any interest or office in the insurance companies having signed the insurance agreements entered into by the Association and who do not receive or have not received, during the same period, any remuneration from these same insurers.

Any current Directors who take up office in, or receive any remuneration whatsoever from, one of the insurance companies having signed an insurance agreement with the Association agree to immediately notify the Chairman by registered letter with proof of receipt.

If this declaration were to reduce the number of Directors who do not, or did not during the two years preceding their appointment, hold any interest or office in the insurance organisations having signed the insurance agreements entered into by the Association and who do not or did not during the same period receive any remuneration from these insurance companies, to less than 51%, the Director in question will automatically forfeit

his or her role as Director and will be replaced in accordance with article 12 of the statutes. In the event of a vacancy arising due to a death, a resignation, a Board member reaching the upper age limit or any other cause, the Board will provisionally replace these members. They will be permanently replaced at the next General Assembly. The term of office of any member elected in this way will come to an end when the term of office of the member they replaced would normally have expired.

If they are not ratified, the deliberations and actions of the Board during the period since the provisional appointment will nonetheless remain valid.

A third of the Board is renewed every 2 years. Outgoing members are eligible for re-election. The order of outgoing members is determined by the length of their term of office.

Any person aged 18 or over on the day of the election who is a Member of the Association and has paid the membership fee is eligible for Board membership.

The age limit for the position of Director is 70. If this age is reached during the term of office, the term of office will automatically end on the Director's anniversary date.

Any new application must be brought to the attention of the Chairman of the Board by registered letter received at least thirty days before the date of the General Assembly, together with:

- a copy of an identity document;
- a sworn declaration that no criminal convictions are held or no measures referred to in paragraphs 1 to 5 of Article L322-2 of the French Insurance Code apply;
- a certificate indicating the existence or absence of any office held with or remuneration received from any of the insurance organisations having signed an insurance agreement with the Association.

No-one can be a member of the Board of the Association, either directly or indirectly or by proxy, or administer, direct or manage the Association in any capacity whatsoever, or have the authority to sign on behalf of the Association if he or she has held any of the convictions or been subject to any of the measures referred to in paragraphs 1 to 5 of Article L322-2 of the French Insurance Code.

Each year the Board elects an executive committee by secret ballot of its members by a majority vote. This executive committee consists of a Chairman, a Vice-Chairman, a Secretary, a Treasurer and any deputies. Outgoing members of the executive committee are eligible for re-election. The Board may be assisted by any person it deems useful, whether or not they are members of the Association.

## 2. Board meetings

The Board meets as often as the interests of the Association require when convened by the Chairman. The Board may be convened by any means at his or her convenience.

The deliberations of the Board are minuted and recorded in a register signed by the Chairman and at least one Director.

The Board will be valid only if more than half of the Directors are present.

Decisions of the Board are taken by a majority of the Directors present. In the event of a tie, the Chairman has the casting vote. Only items on the agenda may be put to a vote.

Any member of the Board who, without justification, fails to attend three consecutive meetings may be excluded by the Board, having first been given the opportunity to comment.

## 3. Remuneration

Directorships are not remunerated. However, expenses and disbursements incurred in the performance of their duties are reimbursed on the basis of documentary evidence. The financial report presented at the Ordinary General Assembly must state the amount of expenses and disbursements reimbursed to Directors.

## 4. Powers

The Board is vested generally with the widest powers to act on behalf of the Association. It sets the amount of the membership fee payable by members of the Association.

It can delegate authority to the Chairman or to a member of the executive committee.

## 5. Functions and powers of the Chairman – Functions of the Secretary and the Treasurer

The members of the executive committee are specially entrusted with the following responsibilities:

1. The **Chairman** directs the work of the Board and is responsible for the running of the Association. He or she is the Association's representative in legal proceedings and in all civil acts. He or she has full authority in this respect. He or she may delegate his or her authority to another Director. In his or her absence, the Vice-Chairman will deputise.
2. The **Secretary** is responsible for correspondence, in particular for sending out the various notices to attend meetings. He or she drafts the minutes of proceedings and transcribes them in the records and carries out all formalities required by law.
3. The **Treasurer** is responsible for managing the Association's assets and accounts. He or she collects revenue and makes payments under the supervision of the Chairman. He or she submits an annual administration report to the General Assembly in order that it may rule on the accounts.

The duties of the members of the Executive Committee may not be remunerated in any form whatsoever.

## **Article 13. GENERAL ASSEMBLIES**

### **1. General Assemblies**

#### **1.1. Ordinary General Assembly**

At least once a year, Members are invited to attend the Ordinary General Assembly in accordance with the procedure described above.

The General Assembly hears:

- the management report prepared by the Board covering the operation of insurance agreements entered into by the Association. This report is made available to Members who request it;
- the auditor's reports;
- the chairman's report;
- the financial report.

The General Assembly, having deliberated and ruled on the various reports, approves the accounts for the previous financial year (calendar year) and deliberates on all other points on the agenda.

It provides for the renewal of Board members under the conditions set out in Article 12 of these statutes.

#### **1.2. Extraordinary General Assembly**

Extraordinary General Assemblies are convened under the conditions set out above.

The Extraordinary General Assembly rules on matters within its exclusive jurisdiction: amendments to the statutes and mergers or dissolutions.

### **2. Notices to attend**

#### **2.1. Notices to attend the Ordinary and Extraordinary General Assemblies**

Members of the Association, as defined in article 5 who are members on the day of the decision to issue notices to attend and who have paid their membership fee, meet at least once a year at the Ordinary General Assembly and as required at an Extraordinary General Assembly.

Meetings of Ordinary General Assemblies and Extraordinary General Assemblies consist of all Members of the Association who have paid their membership fee.

The invitation is personal and is valid if extended by the Board:

- either by letter or email sent at least sixty calendar days before the date of the General Assembly;
- or by an announcement in a publication sent out to all Members.

General Assemblies are convened by the Chairman of the Association or, for Extraordinary General Assemblies, at the request of at least 10% of Members. In this case, notices to attend the Extraordinary General Assembly must be sent out within eight days of filing the request and the Extraordinary General Assembly must be held within thirty days of these notices being sent out.

Notices to attend must specify the date, time, place and agenda planned and drawn up by the Board.

Draft resolutions signed by at least one hundred Members are also included on the agenda, if they are sent by registered letter to the Chairman of the Board at least forty-five days before the date set for the General Assembly.

Only resolutions passed by the General Assembly on items on the agenda will be considered valid.

Notices to attend must also state that, in the absence of a quorum, they serve as notices to attend a second General Assembly.

### **3. Voting rights**

#### **3.1. Voting rights at Ordinary and Extraordinary General Assemblies**

Each Member of the Association has voting rights and one vote at Ordinary and Extraordinary General Assemblies.

Legal entity members of the Association are represented by their legal representative.

Each individual Member has the right to name another Member or his or her spouse as their proxy. A single Member cannot hold more than 5% of voting rights. The proxy vote applies to only one General Assembly, or two if a quorum is not reached at the first meeting, or if two Assemblies – one Ordinary and one Extraordinary – are held on the same day.

A handwritten signature in blue ink, appearing to read "dlo".

Blank proxy forms returned to the Association are allocated to the Chairman or to his or her delegate on the Board and enable a vote to be held on the adoption of draft resolutions presented or approved by the Board.

### 3.1.1. Ordinary General Assembly

Decisions of the Ordinary General Assembly are adopted by a majority vote.

All decisions are taken by a show of hands.

However, if at least a quarter of Members in attendance make the request, votes can be cast by secret ballot.

For the election of Board members, a secret ballot is compulsory.

### 3.1.1. Extraordinary General Assembly

Decisions of the Extraordinary General Assembly must be taken by a two-thirds majority of Members in attendance or represented.

Votes are held by a show of hands unless at least a quarter of Members in attendance request voting by secret ballot.

## 4. Meetings of the Assemblies

Assemblies are chaired by the Chairman of the Association who may delegate his or her duties to the Vice-Chairman or to another Director.

Proceedings are recorded in the minutes, entered in a special register and signed by the Chairman and the Secretary. The minutes are available at the Association headquarters.

An attendance sheet is completed and certified by the Chairman and the Secretary.

All Members, including those who are absent, are bound by the decisions of the General Assembly within the limits of the powers conferred by these statutes.

### 4.1. Meetings of the Ordinary and Extraordinary General Assemblies

Ordinary and Extraordinary General Assemblies cannot validly deliberate unless at least one thousand Members are present or represented. If, at the first meeting, the General Assembly does not reach a quorum, a second meeting of the General Assembly is convened. The meeting can then deliberate validly regardless of the number of Members present or represented.

If a quorum is not reached, the second General Assembly may be held following the first with the same agenda.

By decision of the Chairman, the Ordinary and Extraordinary General Assemblies may be held remotely using electronic voting.

## **Article 14. ASSOCIATION RULES AND REGULATIONS**

Association rules and regulations may be drawn up by the Board of Directors to supplement the statutory provisions.

## **Article 15. DISSOLUTION – MERGER – TRANSFER OF ASSETS**

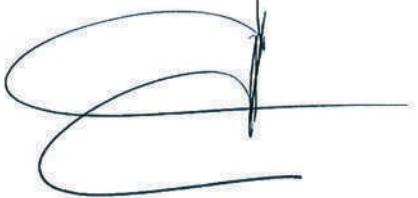

The dissolution of the Association or its merger or union with another organisation can only be approved if proposed by the Board at an Extraordinary General Assembly, in accordance with the conditions set out above.

In accordance with Article L140-6 of the French Insurance Code, in the event of the liquidation or dissolution of the Association, memberships of group insurance agreements which are active on the date of the dissolution or liquidation will continue as of right.

## **Article 16. LANGUAGE**

These statutes are in French. If they are translated into other languages, only the French version is binding.
