# 3. What to do in case of hospitalisation or medical emergency

A

## NON-EMERGENCY HOSPITALISATION OR TREATMENT

For any planned hospitalisation or treatment, you must request pre-approval from APRIL as soon as possible and no later than 5 working days in advance

Submit your request on Easy Claim.

Click on the **Hospitalisation** button, fill in the required fields and attach the relevant documents.

OR

Fill in the **Advance Request Form** with the help of your attending physician (downloadable on your Member Portal) including the name of the medical facility, planned admission date and full breakdown of estimated cost and send it to [provider.asia@april.com](mailto:provider.asia@april.com)

### APRIL will assess your request.

If some information is missing, we will contact you or your attending physician or hospital to finalise your request, so make sure that the phone number you indicated is correct.

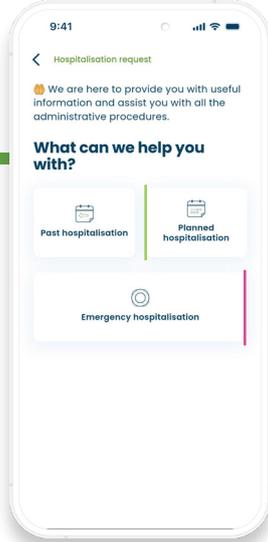

When your request for hospitalisation or planned treatment is approved, we will provide you with the supporting documents (written approval or Letter of Guarantee).

With APRIL, you are not obliged to consult a particular doctor or go to a particular hospital. You are free to choose your own doctor or the hospital where you want to be treated.

However, if you have a serious health problem, our experts will always look at each individual case. The local experience of our medical teams means we are able to make the best possible assessment of the treatment plans and rates offered by healthcare providers to ensure the treatments being proposed are appropriate and medically required and that they are in line with the usual and customary rates in the region.

Please refer to your **Emergency Assistance Program** available on your [Member Portal](#) for more detailed information.

Wherever you are in the world, our team will assist in transferring you to the most appropriate medical facility to receive the treatment you need and/or transport you back home after receiving your medical treatment.

Depending on your situation, we will:

- **Transfer you to the most appropriate hospital, or**
- **The hospital nearest to your home in your country of cover, or**
- **Your home residence in your country of cover.**

# 4. About your policy

## A > I HAVE CO-INSURANCE « How does it work? »

On our outpatient plans, we offer a 20% co-insurance. Here's how the co-insurance is calculated:

BILL	
Hospital ABC 123 Caves Rd. 987654 Patient: John Smith	
TOTAL:	USD 120
Consultation	USD 100
Medicines & Drugs	USD 20
Dr. Jane Doe <i>Jane Doe</i>	

**Total bill: USD120**

**APRIL pays USD96 (80% of the bill)**

**I pay USD24 (20% of the bill)**

Co-insurance will **only be applied to your outpatient expenses**. For any inpatient, maternity, dental and optical expenses, the co-insurance won't be applied and you will be covered as per your terms and conditions. The co-insurance is also waived for health checkups and vaccinations.

## B > I HAVE A DEDUCTIBLE « How does it work? »

A deductible is the amount you are responsible for before the insurance plan starts to pay for medical expenses. For instance, if your deductible is USD\$1,000, you must pay that amount out of your own pocket before we begin covering your medical expenses. The annual deductible is per person per year and **only applies to your hospital and surgery plan**.

## C > WAITING PERIODS

From the effective start date of your policy, some waiting periods are applied before we start covering your expenses. Here is the list:

- 366 days for Newborn Additions
- 300 days for Major Dental Treatment
- 366 days for Maternity Benefits
- 3 years for HIV/AIDS

Any expenses related to the treatments or procedures mentioned above which are incurred before the waiting period is over are excluded from cover and will not be reimbursed.

## D > GENERAL EXCLUSIONS

« *WHAT IS NOT COVERED BY MY POLICY?* »

There are certain items that your policy will not cover, which are referred to as exclusions. **Please read your Terms and Conditions carefully for the full list of general exclusions.** Here are the most common exclusions:

- ✗ Services which are not medically necessary
- ✗ Treatment which is covered by other insurance
- ✗ Cosmetic surgery and reconstructive surgery
- ✗ Sleep disorders or behavioural or developmental disorders
- ✗ Weight disorders
- ✗ Vitamins and health supplements
- ✗ Teeth whitening
- ✗ Treatment related to assisted conception, contraception, sterilisation, fertility or infertility
- ✗ All treatments related to sexually transmitted diseases
- ✗ Congenital diseases
- ✗ House calls, delivery of medicine or other items

## E > TREATMENTS REQUIRING PRE-AUTHORISATION

« *In which cases do I need to request pre-approval from APRIL?* »

Some major treatments and procedures require the pre-approval of our medical team:

- Hospital Benefits (other than emergencies)
- Rehabilitation Treatment
- Surgery performed while a day-patient

You must receive APRIL's prior approval for your treatment. Please submit your treatment request on Easy Claim or fill in our [Advance Request Form](#) (available on your Member Portal) and return it to us at [provider.asia@april.com](mailto:provider.asia@april.com).

**Requesting a pre-approval is compulsory.** If you don't request a pre-approval, we may apply a **20% CO-INSURANCE** on your medical expenses.

# 5. Premium payment and policy update

## A > HOW CAN I PAY MY PREMIUMS?

Your premiums will be paid annually. You may choose to pay by bank transfer or credit card.

Your premium amount may change on the anniversary date of your plan depending on the benefits and the options you selected. Changes to your premium are not based on the level of claims you have made. In fact, our calculation is based on the overall number of claims made by the persons insured under MyHEALTH.

As healthcare costs are rising every year in Indonesia, we might also adjust your premiums to keep pace with medical inflation. This is in addition to any age related increase(s) which may apply to your policy.

## B > HOW CAN I MAKE CHANGES TO MY PLAN?

We would be pleased to assist with making any changes to your plan. You can:

### ● At renewal:

- › Adjust the level of your cover to suit your needs (if you choose to upgrade your benefits, you may have to go through our underwriting process)

### ● Anytime throughout your policy year:

- › Update your bank details  
You can easily add or delete a bank account on your [Member Portal](#), (under the **policies** tab).
- › Update your address or phone number
- › Add a dependant (newly married or newborn)
- › Change your last name following a marriage or a divorce

To make any of these other changes, please contact your insurance broker or a member of our team at [contact.indo@april.com](mailto:contact.indo@april.com). We will send you the appropriate forms to fill in and walk you through the process step by step.

## C > WHAT IF I DECIDE TO MOVE TO ANOTHER COUNTRY?

If you are moving to a country within the area of cover of your policy, you will be able to enjoy the same level of cover in your new country of residence until the end of your policy year.

If you are moving to a country outside your area of cover, you will be covered up to USD\$100,000 for sudden illness or injury occurring during the first 30 travel days of any trip outside the area of cover. If you have selected an Inpatient Core module, you will be covered for accidents only up to USD\$100,000.
