

APRIL Direct Billing Network Philippines Providers

As a Philippines policyholder, you are eligible for direct billing services with the Maxicare network, who possesses over 1,450 providers and over 63,000 physicians.

Note: Only Philippine members with 100% Outpatient coverage are eligible for direct billing within the Maxicare network.

Outpatient direct billing

You can enjoy outpatient direct billing for General consultation, Specialist consultation, X-ray, and Laboratory up to 250 USD through a Letter of Authorisation (LOA) from Maxicare. Any outpatient care above this amount must be pre-authorized.

How do I obtain a LOA?

If you already have your medical appointment and wish to avoid losing time at your chosen provider, we strongly advise you to secure your Letter of Authorisation in advance by contacting by email the Maxicare Customer Care team on customercare@maxicare.com.ph at least 24 hours in advance.

For urgent requests, kindly indicate the word "URGENT" in the subject to prioritise the email.

Alternatively, you can visit one of the Maxicare Helpdesks located at selected Maxicare affiliated hospitals (see below list) or proceed to the HMO Office/ Maxicare Coordinator, whichever is present in the Provider for assistance.

You will need to provide the following:

- Full Name of the member
- Date of Birth
- APRIL ID card
- Name of the requesting Doctor (should be Maxicare-affiliated)
- Copy of doctor's order
- Date of availment
- Diagnosis

Once details have been validated, an approved LOA will be given to you; you must then present your printed LOA to a preferred Maxicare accredited doctor/specialist.

If extra exams are required, a further LOA will be required.

Maxicare helpdesks

In selected Maxicare affiliated hospitals you will find Maxicare Customer Care Representatives who are ready to assist you with inquiries and requests for Letter of Authorisation.

What happens if I have an emergency admission?

1. Go to the Emergency Room of the nearest Maxicare-accredited hospital.
2. Please declare that you are a Maxicare/APRIL member. Kindly present April ID card and valid ID for validation.
3. The ER of the hospital will call Maxicare for approval and provide necessary details of the availment.
4. While necessary approvals are being secured, you should be treated accordingly.
5. If ER is non-admissible and coverable within the set limit, LOA will be issued directly to the Provider.

What happens if I have a programmed hospitalisation?

Please follow your usual process with APRIL International.

For any planned hospitalisation or treatment, you must request pre-approval from APRIL at least 5 working days in advance.

· Step 1 – Submit your request on Easy Claim

Click on the "Hospitalisation" button, fill in the required fields and attach the relevant documents.

OR Fill in an Advance Request Form with the help of your attending physician, including the name of the medical facility, planned admission date and full breakdown of estimated cost and send it to provider.asia@april.com.

Your Advance Request Form can be found on your Online Portal

· Step 2 – APRIL will assess your request.

If some information is missing, we will contact you to finalise your request, so make sure that the phone number you indicated is correct.

· Step 3 – When your request for hospitalisation or planned treatment is approved, we will provide you with the supporting documents (written approval or Letter of Guarantee).

This list will be updated regularly and can be found on our website
